

● **DON'T LET THE COPS IN!**

If they have a warrant, ask them to slide it under your door.

Search warrant: make sure it has YOUR name, YOUR address, make sure it's signed and dated and it should say what it's looking for.

They're only allowed to look for what's listed.

Arrest warrant: they can only search your house if it says they can.

● **NEVER CONSENT TO A SEARCH! EVER!**

If they are searching, tell them you do not consent to the search, but don't get in their way. Follow and take notes on what they are doing if possible.

● **DON'T TOUCH OR ENGAGE THEM!**

Unless you really want to get charged with assault on a public official.

● **DON'T TALK!**

You don't have to tell them a thing. Seriously. They might try to make dumb conversation, but don't play along; it's just to make you comfortable with them so you'll tell them more.

● **DON'T LIE!**

Very illegal. (In MA and other states you aren't required to give police your legal name unless you are driving a car, but it IS illegal to give them a false name or even a nickname.)

● **DON'T SNITCH! EVER!**

Everyone hates a snitch.
